Dale tweets his trades in real time.

We sold one of the Jan. 29<sup>th</sup> 3275 puts at 11.20 at the market low this morning. We then held on to the others through the trading day as the market moved up, then down in the afternoon and allowed those puts to close (barely) in the money. They will settle in our account tomorrow. At the close we bought a Jan. 31<sup>st</sup> 3275 put at 14.50 to establish a new position.
